A Window into Immigrant Adolescence

Am Home is a collection of intimate portraits that capture the lives of immigrant teenagers in the United States. Through the lens of renowned photographer Alejandro Cartagena, these portraits unveil the hopes, dreams, and challenges these young people face as they navigate a new country and culture.

Beyond Statistics and Stereotypes

Am Home shatters the stereotypical portrayal of immigrants as faceless numbers or objects of political debate. Instead, the exhibition humanizes the immigrant experience by presenting the individual stories and aspirations of these young subjects.

Art as a Catalyst for Empathy

The power of Am Home lies in its ability to evoke empathy. By seeing the faces, hearing the voices, and sharing the experiences of these immigrant teenagers, viewers are invited to challenge their own assumptions and connect on a deeply human level.

The Transformative Power of Storytelling

Am Home not only captures the subjects' physical presence but also their emotional landscapes. Each portrait is accompanied by a brief written narrative that provides context and insight into the individual's journey. These narratives invite readers to reflect on the unique experiences of immigrant teenagers and the complexities of the immigration process.

Art for Social Change

Am Home is not just an exhibition; it is a vehicle for social change. By raising awareness and fostering empathy, the project seeks to challenge the dehumanizing narrative surrounding immigration and promote a more inclusive and welcoming society.

Critical Acclaim and Recognition

Am Home has received critical acclaim and recognition from both the art world and beyond. The exhibition has been featured in prestigious venues, such as the Whitney Museum of American Art in New York City, and has garnered numerous awards, including the prestigious Hasselblad Masters Award.

Educating, Inspiring, and Inspiring

Am Home has become a valuable tool for educators, policymakers, and community leaders seeking to understand the complexities of immigration and foster dialogue. The exhibition has been used in classrooms, community centers, and other settings to generate conversations, challenge stereotypes, and promote empathy.

"Am Home Portraits of Immigrant Teenagers" is a powerful and evocative exhibition that humanizes the immigrant experience. Through stunning photography and compelling narratives, Am Home challenges stereotypes, fosters empathy, and inspires social change. By showcasing the faces and stories of immigrant teenagers, the exhibition encourages viewers to reflect on the complexities of immigration and to embrace a more inclusive and welcoming society.
