Quibbler's irreverent and witty style is sure to keep you entertained from beginning to end. He tells the stories of history's most eccentric characters, including:

- The Roman emperor who banned beards

- The medieval pope who excommunicated cats
- The Victorian scientist who believed that women were inferior to men because their brains were smaller
- The 20th-century dictator who forced his people to wear platform shoes

Quibbler also explores the absurd side of some of history's most serious events, such as:

- The Hundred Years' War, which was fought over a bucket
- The American Civil War, which was caused by a disagreement over slavery
- The Cold War, which was a decades-long standoff between the United States and the Soviet Union

Whether you're a history buff or just looking for a good laugh, *An Irreverent Romp Through Civilization Best Bits* is the perfect book for you. Quibbler's sharp wit and keen eye for the absurd will leave you in stitches and remind you that even in the darkest of times, there's always something to laugh about.
