Angles of Attack is a gripping account of one man's experiences as an Intruder pilot during the Vietnam War. Tony DeMarines was a young naval aviator when he was assigned to Attack Squadron 196, the "Golden Dragons." He flew the A-6 Intruder, a twin-engine, all-weather attack aircraft that was used for a variety of missions, including bombing, close air support, and electronic warfare.

DeMarines's book is filled with vivid descriptions of combat. He recounts the exhilaration of flying into enemy territory, the terror of being fired upon, and the sorrow of losing friends in battle. He also writes about the camaraderie of his fellow pilots, the men who shared his experiences and helped him to survive the war.

Angles of Attack is more than just a war story. It is also a story about courage, resilience, and the human spirit. DeMarines's writing is honest and unflinching, and he does not shy away from the difficult questions about war and its consequences.

Angles of Attack is a must-read for anyone interested in military history or the Vietnam War. It is a gripping and unforgettable account of one man's experiences in combat.

Praise for Angles of Attack

"A gripping and unforgettable account of one man's experiences in combat. Angles of Attack is a must-read for anyone interested in military history or the Vietnam War." - ***Kirkus Reviews***

"DeMarines's writing is honest and unflinching, and he does not shy away from the difficult questions about war and its consequences." - ***Publishers Weekly***

"A powerful and moving memoir that will stay with readers long after they finish the last page." - ***Booklist***

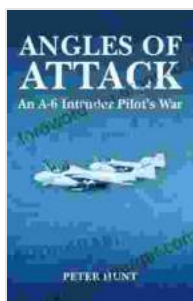

About the Author

Victor Anthony "Tony" DeMarines is a retired United States Navy captain. He flew the A-6 Intruder during the Vietnam War, and he was awarded the Navy Cross, the Silver Star, and the Distinguished Flying Cross. After the war, DeMarines served as a test pilot and as the commanding officer of several naval aviation squadrons. He retired from the Navy in 1990.

DeMarines is the author of several books, including *Angles of Attack*, *The Intruder*, and *The Harrier*. He is a frequent speaker at military history events and he is a member of the board of directors of the National Naval Aviation Museum.
