

# Breaking Point of the French Army: The Collapse of France in 1940

## Summary

The Breaking Point of the French Army is a gripping account of the fall of France in 1940. Historians Ian Dear and Michael Foot narrate the events leading up to the German invasion, the military campaign itself, and the aftermath of the French defeat. The book is full of vivid descriptions, personal accounts, and insights from both sides of the conflict.

## Author's Credentials

Ian Dear is a British military historian specializing in the Second World War. He is the author of several books on the war, including "The Oxford Companion to World War II" and "The Oxford History of World War II."

## Breaking Point of the French Army: The Nivelle
