

Buried Secrets: The True Story of a Serial Murderer

In the annals of true crime, few cases are as chilling and depraved as that of Robert Pickton. For years, Pickton preyed on vulnerable women in Vancouver's Downtown Eastside, luring them to his pig farm where he would torture, kill, and dismember them. His victims were often sex workers or drug addicts, women who had fallen through the cracks of society and whose disappearances went largely unnoticed.

Pickton's farm was a macabre house of horrors. He kept his victims' bodies in a freezer, and their severed heads in buckets. He fed their remains to his pigs, and sold their meat to unsuspecting customers. The stench of death hung heavy in the air, and the walls were stained with blood.

For years, Pickton's crimes went undetected. The police were slow to respond to reports of missing women, and the victims' families were often ignored or dismissed. But in 2002, a routine traffic stop led to Pickton's arrest. A search of his farm uncovered a gruesome scene, and he was soon charged with multiple counts of murder.

The trial that followed was one of the most sensational in Canadian history. Pickton was found guilty of six counts of murder, and sentenced to life in prison. But the true number of his victims may never be known. Police believe that he may have killed as many as 49 women, and the remains of many of his victims have never been found.

Buried Secrets is the chilling true story of Robert Pickton and his reign of terror. It is a story of violence, depravity, and the failure of society to protect its most vulnerable members. But it is also a story of hope, as the victims' families and the community came together to demand justice.

Buried Secrets is a must-read for anyone interested in true crime, or the dark side of human nature. It is a harrowing and unforgettable account of one of the most shocking crimes in Canadian history.
