

Confront and Control Workplace Violence: An Essential Guide for Every Professional

The Violent Person at Work: Identifying, Understanding, and Managing Disruptive Employees to Prevent Workplace Tragedies

Workplace violence is a serious threat that can have devastating consequences for employees, businesses, and communities. According to the Occupational Safety and Health Administration (OSHA), approximately 2 million American workers are victims of workplace violence each year. These incidents can range from minor assaults to mass shootings, and they can have a profound impact on the physical, emotional, and financial well-being of victims and their families.

The Violent Person at Work is an essential guide for every professional who wants to understand, identify, and manage disruptive employees to prevent workplace tragedies. Written by Dr. James Garbarino, a leading expert on workplace violence, this book provides a comprehensive overview of the causes, warning signs, and risk factors associated with workplace violence.

Dr. Garbarino draws on his extensive research and experience to provide practical advice on how to create a safe and respectful workplace. He discusses the importance of establishing clear policies and procedures,

providing training for employees, and creating a culture of respect and trust. He also provides specific strategies for dealing with disruptive employees, including how to conduct a risk assessment, develop an intervention plan, and, when necessary, terminate employment.

The Violent Person at Work is a must-read for anyone who wants to create a safe and productive workplace. This book provides the tools and knowledge you need to identify, understand, and manage disruptive employees and prevent workplace tragedies.

What You Will Learn from The Violent Person at Work:

- The different types of workplace violence and their causes
- The warning signs and risk factors associated with workplace violence
- How to create a safe and respectful workplace
- How to conduct a risk assessment
- How to develop an intervention plan
- How to terminate employment when necessary
