John Lukacs (1924-2019) was one of the most important and prolific historians of our time. A Hungarian-born American, Lukacs wrote over thirty books on a wide range of topics, including history, politics, culture, and religion. He was a conservative in the best sense of the word, a man who believed in the importance of tradition, Free Download, and liberty. He was also a man of great wit and wisdom, and his writings are full of insights that are as relevant today as they were when he first wrote them.

"The University Bookman on John Lukacs" is a collection of some of Lukacs's best essays, articles, and reviews. These pieces cover a wide range of topics, from the American Revolution to the Cold War to the rise of populism. Lukacs's insights are always sharp and his prose is always elegant. This book is a must-read for anyone who wants to understand the world we live in today.

"John Lukacs was one of the most important and prolific historians of our time. His writings are full of insights that are as relevant today as they were when he first wrote them. 'The University Bookman on John Lukacs' is a must-read for anyone who wants to understand the world we live in today."
