Love Is Like A Hurricane

We search forever for that ever lasting love, we fight through water, sand storms, floods. Who ever thought that we could ever be in love. That fait that Destiny that our lord has givin us. I thought it was impossible to care for someone this much. But once that water over comes that great wall we lose that love. That we have patientially have awaited for. We awake the next morning and forget thatt there not beside you to keep you warm. as we are chill, we know longer have that person to share our thoughts or ideas with.

We have not that ever lasting person that we have awaited for. . . so as I see there is no such thing as ever lasting love. Love is a Hurricane, all they do is rock our world and destroys our dreams.
