Did you know that the word "fuck" is thought to have originated in the 14th century as a euphemism for sexual intercourse? Or that the word "shit" comes from the Old English word "scitte," meaning "diarrhea"?

These are just a few of the fascinating facts you'll learn in *Don't Call It That*. [Author Name] also discusses the role of curse words in literature, music, and film. He explores the ways in which curse words can be used to express anger, humor, and even love.

Don't Call It That is more than just a book about curse words. It's a book about language, culture, and the human condition. It's a book that will make you think, laugh, and see the world in a whole new way.
