## **The Canny Granny Approach**

Canny Granny believes that grandparenting is not just about spoiling your grandchildren with gifts and treats. It's about creating a deep and meaningful connection that will last a lifetime. She emphasizes the importance of:

- Being present and engaged: Put down your phone, turn off the TV, and give your grandchildren your undivided attention.
- Listening to them: Really listen to what they have to say, without interrupting or judging.
- Respecting their individuality: Every child is unique, so don't try to mold them into your own image.
- Being a role model: Show your grandchildren what it means to be a kind, compassionate, and loving person.

Canny Granny also encourages grandparents to:

- Have fun: Grandparenthood should be enjoyable for both you and your grandchildren.
- Be patient: Building a strong bond with your grandchildren takes time.
- Be forgiving: Everyone makes mistakes. Forgive yourself and your grandchildren when things don't go according to plan.
- Embrace the unexpected: Grandparenting is full of surprises. Be prepared to go with the flow and enjoy the unexpected moments.

### **Canny Granny's Secret Tips**

In addition to the above principles, Canny Granny shares her secret tips for becoming the favorite grandparent. These include:

- Create special traditions: Start a tradition of going for walks together every Saturday, or baking cookies together every Sunday.

- Have a secret handshake or silly dance: This will create a special bond between you and your grandchild.
- Tell stories: Share stories about your own childhood, your grandchildren's parents, and other family members.
- Sing songs: Sing songs together, or play music and dance around.
- Read books: Read stories to your grandchildren, or let them read to you.

Canny Granny also encourages grandparents to:

- Be involved in their lives: Attend their school plays, sporting events, and other activities.
- Respect their space: Don't be overbearing or intrusive. Let your grandchildren come to you when they need you.
- Be supportive: Be there for your grandchildren through thick and thin.
- Let go: As your grandchildren grow older, let go of the need to control their lives. Allow them to make their own decisions and learn from their mistakes.
