

Nixon, Khrushchev, Safire: In My Kitchen: The Making of a Newspaperman

By William Safire

In 1959, William Safire was a young reporter for the New York Times when he was assigned to cover the historic "Kitchen Debate" between Vice President Richard Nixon and Soviet Premier Nikita Khrushchev. The two leaders debated the merits of their respective economic systems in a model kitchen at the American National Exhibition in Moscow.

Safire's eyewitness account of the Kitchen Debate is a classic of journalism. It is a vivid and detailed description of the event, from the moment Nixon and Khrushchev entered the kitchen to the moment they left. Safire captures the tension and drama of the debate, as well as the personal interactions between the two leaders.

But Nixon, Khrushchev, Safire is more than just a memoir of a single event. It is also a reflection on the Cold War and the role of journalism in shaping history. Safire argues that the Kitchen Debate was a turning point in the Cold War, and that it helped to pave the way for the eventual collapse of the Soviet Union.

Safire also writes about his own experiences as a journalist, and how his encounter with Nixon and Khrushchev influenced his career. He discusses the importance of objectivity and fairness in journalism, and the challenges of reporting on complex and controversial issues.

Nixon, Khrushchev, Safire is a fascinating and informative book that provides a unique perspective on the Cold War and the role of journalism in shaping history. It is a must-read for anyone interested in history, journalism, or the Cold War.
