Norwegian Families Becoming American is a comprehensive account of the experiences of Norwegian immigrants in the United States. This book traces the journey of these families from their arrival in America to their eventual assimilation into American society. Through extensive research and firsthand accounts, the author provides a vivid and moving portrayal of the challenges and triumphs faced by these immigrants.

The book begins by exploring the reasons why Norwegians left their homeland in the 19th and early 20th centuries. These reasons included economic hardship, religious persecution, and a desire for a better life. The author then describes the challenges that Norwegian immigrants faced

upon their arrival in America. These challenges included language barriers, cultural differences, and discrimination.

Despite these challenges, Norwegian immigrants were determined to succeed in their new country. They worked hard, learned English, and adopted American customs. Over time, they began to assimilate into American society. They became involved in local politics, served in the military, and started businesses. They also maintained their Norwegian heritage through churches, clubs, and festivals.

Norwegian Families Becoming American is a valuable contribution to the history of immigration in the United States. It is a well-written and engaging book that provides a unique perspective on the experiences of Norwegian immigrants. This book is a must-read for anyone interested in Norwegian-American history or immigration in general.

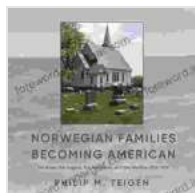

## **Reviews**

"Norwegian Families Becoming American is a fascinating and informative account of the experiences of Norwegian immigrants in the United States. This book is a valuable contribution to the history of immigration in the United States." - John Bodnar, author of *The Transplanted: A History of Immigrants in Urban America*
