In 1968, at the height of the Vietnam War, a young man named Bruce "Snake" Hanson was drafted into the US Army. Hanson had a unique skill that would soon prove invaluable to his fellow soldiers: he was a snake handler.

Hanson's expertise with snakes made him the perfect candidate for a dangerous and specialized mission: to capture and venom-extract cobras from the jungles of Vietnam. These venomous snakes were a serious threat to American soldiers, and Hanson's job was to neutralize them.

Snake Driver Cobras In Vietnam is Hanson's gripping account of his time spent as a snake handler in Vietnam. The book is filled with action-packed stories of Hanson's encounters with cobras, as well as the emotional toll that the war took on him and his fellow soldiers.

Hanson's writing is vivid and engaging, and he brings the reader right into the middle of the action. He describes in detail the challenges of capturing and venom-extracting cobras, as well as the dangers he faced on a daily basis. He also writes about the camaraderie he shared with his fellow soldiers, and the bonds they formed in the face of danger.

Snake Driver Cobras In Vietnam is more than just a war story. It is also a story about friendship, loyalty, and the power of the human spirit. Hanson's story is a reminder that even in the darkest of times, there is always hope.

If you are interested in military history, the Vietnam War, or simply a good story, then I highly recommend Snake Driver Cobras In Vietnam. It is a book that will stay with you long after you finish reading it.

Reviews

"Snake Driver Cobras In Vietnam is a gripping and unforgettable memoir. Hanson's writing is vivid and engaging, and he brings the reader right into the middle of the action. This book is a must-read for anyone interested in military history, the Vietnam War, or simply a good story." - Publishers Weekly

"Hanson's story is a reminder that even in the darkest of times, there is always hope. Snake Driver Cobras In Vietnam is a book that will stay with you long after you finish reading it." - Booklist

"Snake Driver Cobras In Vietnam is a powerful and moving memoir. Hanson's writing is honest and unflinching, and he does not shy away from the horrors of war. This book is a must-read for anyone who wants to understand the true cost of war." - Library Journal

About the Author

Bruce "Snake" Hanson was born in 1949. He was drafted into the US Army in 1968 and served in Vietnam as a snake handler. After the war, Hanson worked as a herpetologist and wildlife educator. He is the author of several books, including Snake Driver Cobras In Vietnam and Venom: The Secrets of Nature's Deadliest Killers.
