The book is divided into three parts. The first part covers the period from the early Portuguese voyages to West Africa in the 15th century to the establishment of a permanent Portuguese presence in the region in the 16th century. The second part deals with the development of the Portuguese empire in West Africa in the 16th and 17th centuries. The third part covers the decline of the Portuguese empire in West Africa in the 17th century and the eventual loss of Portuguese control over the region.

The Portuguese in West Africa 1415-1670: A Documentary History is a valuable resource for scholars of African history, Portuguese history, and the history of European colonialism. The documents provide a firsthand account of the Portuguese experience in West Africa and offer a unique insight into the complex interactions between Europeans and Africans in the early modern period.
