

The Role of the Petrine Ministry in the Ecumenical Relationship Between the East and the West: A Historical and Theological Study

The schism between the East and West, which occurred in the 11th century, remains one of the most significant and enduring divisions within Christianity. While many factors contributed to this split, the question of the Petrine Ministry—the authority and role of the Bishop of Rome—has been a central point of contention.

This book aims to provide a comprehensive historical and theological study of the Petrine Ministry, examining its origins, development, and significance in the context of the ecumenical relationship between the East and the West. By exploring the perspectives and arguments of both Orthodox and

Catholic theologians, the book seeks to deepen our understanding of this complex issue and its implications for Christian unity.

Chapter 1: The Origins and Development of the Petrine Ministry

This chapter traces the historical roots of the Petrine Ministry, examining the biblical basis for Peter's primacy and the development of the Roman papacy in the early centuries of Christianity. It considers the role of the Petrine Ministry in the formation and governance of the Church, as well as the challenges and controversies that emerged over time.

Chapter 2: The Petrine Ministry in the East-West Schism

This chapter focuses on the role of the Petrine Ministry in the events leading up to and including the East-West Schism. It examines the clash between the papal claims of universal jurisdiction and the autocephaly of the Eastern Churches, as well as the theological and political factors that exacerbated tensions.

Chapter 3: Orthodox and Catholic Perspectives on the Petrine Ministry

This chapter presents a comparative analysis of Orthodox and Catholic perspectives on the Petrine Ministry. It examines the different understandings of Peter's authority, the role of the papacy, and the nature of the Church's unity.

Chapter 4: Ecumenical Dialogue and the Petrine Ministry

This chapter explores the role of the Petrine Ministry in ecumenical dialogue since the 20th century. It discusses the various proposals and

initiatives aimed at addressing the issue and highlights the challenges and opportunities for progress.

Chapter 5: The Petrine Ministry and the Future of Christian Unity

This chapter reflects on the prospects for Christian unity in light of the ongoing debate over the Petrine Ministry. It considers different models of unity and the need for a deeper understanding of the historical and theological issues involved.

This book concludes by summarizing the key findings of the study and offering some reflections on the future of the ecumenical relationship between the East and the West. It emphasizes the need for ongoing dialogue, mutual respect, and a commitment to the principles of conciliarity and collegiality as essential elements for healing the wounds of division and restoring Christian unity.
