The Sniper Log is an intimate and revealing account of the making of a Marine sniper. It follows the author's journey from boot camp to sniper

school to deployment in Afghanistan. The book is full of gripping stories about combat, camaraderie, and the challenges of being a sniper.

The author, a former Marine sniper, takes the reader inside the world of snipers. He describes the rigorous training, the mental and physical challenges, and the unique bond that snipers share. He also shares his experiences in combat, from the adrenaline-pumping moments of firefights to the aftermath of witnessing death.

The Sniper Log is a must-read for anyone interested in the military, combat, or the lives of snipers. It is a gripping and unforgettable account of one man's journey to become a Marine sniper.

Table of Contents

- Chapter 1: Boot Camp
