After his release from prison, King moved back to Baton Rouge and began a new life. He got a job as a security guard and started dating a woman named Wanda Walls. But beneath his seemingly normal exterior, King was still the same sadistic killer he had always been. In 2003, he began a new killing spree, targeting young women in Baton Rouge.

The Victims

King's victims were all young women, ranging in age from 17 to 27. He would often approach them in bars or parking lots, offering them a ride or a job. Once they were alone, he would attack them, strangling them or stabbing them to death. In all, King murdered five women in Baton Rouge before he was finally caught.

The Investigation

The investigation into King's crimes was led by Detective Steve Ricker of the Baton Rouge Police Department. Ricker was a seasoned investigator, and he quickly realized that he was dealing with a serial killer. He put together a task force to track down King, and they eventually arrested him in 2004.

King was convicted of five counts of first-degree murder and was sentenced to death. He was executed in 2012.

The Legacy

Gary King's crimes left a lasting scar on the city of Baton Rouge. His victims were innocent young women who had their lives cut short by a

senseless killer. King's execution brought closure to his victims' families, but it could never truly erase the pain and suffering he caused.

To Die For is a chilling true-crime thriller that tells the story of Gary King and his reign of terror in Baton Rouge. It is a story that will stay with you long after you finish reading it.
