Print length : 592 pages

- Cardiovascular
- Gastrointestinal
- Respiratory
- Musculoskeletal

- Neurology
- Endocrinology
- Dermatology
- Psychiatry
- Ethics

With each topic, you'll find clear and concise explanations, along with high-quality illustrations and tables that help you visualize and retain the information. The book also includes practice questions and case studies to help you test your understanding and prepare for the exam format.

### **Expert Authors and Editors**

Davis' *PA Exam Review* is written and edited by a team of expert physician assistants who have a deep understanding of the exam content and the challenges you face as a PA. They have carefully crafted this book to provide the most effective and up-to-date review experience possible.

### **Enhanced Online Resources**

In addition to the comprehensive book, you'll also get access to exclusive online resources that enhance your learning experience. These resources include:

- Practice quizzes
- Interactive case studies
- Flashcard decks
- Self-assessment tools

These online resources are designed to help you track your progress, identify areas for improvement, and maximize your exam preparation efforts.

## **Proven Results**

Davis' *PA Exam Review* has a proven track record of helping physician assistants achieve their certification and recertification goals. Thousands of PAs have relied on this book to prepare for the PANCE and PANRE, and many have shared their success stories:

***“I used Davis' PA Exam Review to prepare for the PANCE, and I'm so glad I did. The book was comprehensive and well-organized, and the practice questions were very helpful. I highly recommend this book to anyone preparing for the PANCE.”***

**- Sarah J., PA-C**

***“I've been a PA for over 10 years, and I recently used Davis' PA Exam Review to prepare for the PANRE. The book was up-to-date and covered all of the essential topics. I felt confident and prepared on exam day, and I'm convinced that this book helped me pass.”***

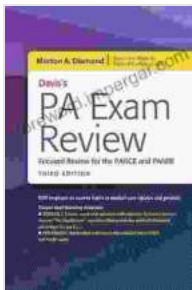

**- John M., PA-C'**
